

Firework display

Dancing Diamonds

A magnificent series of fountains lasting over one and a half minutes. Multi effect glittering fountains with dancing diamonds in red, green, silver and yellow plus crackle finale.

Greenpeace

Sublime low noise cake consisting of stunning serene sequences with falling leaves, wriggly fish, and crazy crossette effects. Ideal for those with delicate animals.

Brazilliant

This 56 shot candle barrage has the samba beat! A Brazilliant display of gold strobe tails to green strobes. Stunning colours.

Spin Doctor

Good duration, colourful sprays and whistles. Good speed and effects.

Whip Wheel

Produces red, green, yellow and silver sparks.

Dancing Diamonds

A magnificent series of fountains lasting over one and a half minutes. Multi effect glittering fountains with dancing diamonds in red, green, silver and yellow plus crackle finale.

Sound of Silence

Multicoloured balls ejected to a good height giving a super low noise rainbow effect. Good duration as well from this pretty multicoloured cake.

Fantastic Voyage

Coloured crackling tails to waves and waves of jaw dropping Z shape rainbows to fans of tiger tail to red strobes then falling leaves to silver crackling flower.

The display is brought to you with the valuable help and assistance from the Suffolk Kite Flyers and the Firework Emporium who have donated many products for free.

All products can be bought from the Firework Emporium
